Dear Mr. Anish Malattiri,

I would like to congratulate you and your courteous team on a job well done with my car's predicament last week.

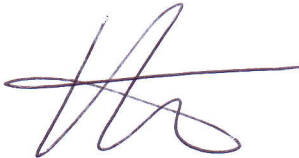

My father's car suffered a puncture, of which, after closer inspection, it was clear that the other tyres were also in an equally perilous state.

I immediately contacted Saeedi Pro's emergency hotline and within 15 minutes, your team and their support vehicle had arrived, of which; I was back on my way shortly after!

Over the years, I have utilised your service centres of which I have always received excellent service in terms of product recommendation and competitive pricing and I would gladly recommend the Al Saeedi Group and Saeedi Pro to any of my family members, friends and colleagues.

So thank you greatly and I shall do my best to continue supporting yourself and your business in the months and years to come.

Best Regards.
