Al Saeedi Pro

Date: 21-04-2020

Dear Anish Malattiri

I am taking this opportunity to thank you for the excellent service that we recently experienced with Al Saeedi Pro, for battery change of our car. Since this was at the beginning of quarantine period, we decided to avail the home services that Al Saeedi Pro had just started.

I must congratulate their team for coming up with this service as a quick response to quarantine. Within 2 hrs of calling, the battery change team came to our house with their tool box and the whole experience was just so smooth. What really impressed us was that this value addition service was provided without any extra charge.

We have already been using Al Saeedi Pro services for our office and personal vehicles for some time now. But after this experience,, we have become their lifetime customers and will strongly recommend their services to friends, family and strangers.

Thank you.

Happy Customer
